

# Federation of Community Councils Manager's Report

June 16, 2010

## **Community Council Capital Projects Survey:**

You need to turn in your council's capital projects survey if you have not yet done it! The Community Council responses will be posted when complete on the OMB website at: <http://www.muni.org/departments/budget/pages/default.aspx>

## **NUSA Conference:**

Nine council members went to the 2010 Conference in Little Rock to promote attendance at next year's NUSA conference in Anchorage.

## **Legislative Grants for Fiscal Year 2011 (FY11):**

All of the grants for individual councils and community patrols that made it into the Legislature's capital budget made it through without being vetoed by the Governor. The \$70,000 requested for the NUSA 2011 Conference in Anchorage was vetoed by the Governor.

## **Newsletter Emailing:**

If your council is emailing your own newsletters out, we again ask that you put the FCC email address on your list (so that we can archive a copy here) and that you take a periodic look at the lists here at the office so that you can be sure to add new addresses as they are entered into our database.

## **USPS Newsletter mailings:**

Please try to reduce the number of names on your council USPS mailing lists by converting the majority of your members over to emailing. This will save the Councils Center LOTS of money!

## **Please volunteer for NUSA 2011 Anchorage Conference committees:**

We need people to volunteer to be on NUSA organizing committees. No volunteers, no NUSA conference! Contact Sheli Dodson at [shelidodson@gmail.com](mailto:shelidodson@gmail.com).

## **Reporting up to date:**

All State of Alaska grant reports are up to date.

**Tons of activity:** We continue to send out thousands of emails and newsletters each month and hold council meetings in our offices.
