

Federation of Community Councils Manager's Report

August 18, 2010

New grants - Legislative Grants for Fiscal Year 2011 (FY11):

Ten grants for individual councils and community patrols made it into the capital budget that the Governor signed. Never before have we had such success in obtaining grants to meet neighborhood needs.

Older Grants - Legislative Grants for Fiscal Year 2007 (FY07):

Use it or lose it! Unused monies remaining in FY2007 grants as of July 1, 2011 will revert back to the State of Alaska. So if you have a FY2007 grant, you must use these funds soon – don't wait until next summer!

Please volunteer for NUSA 2011 Anchorage Conference committees:

We need people to volunteer to be on NUSA organizing committees. No volunteers, no NUSA conference! Contact Sheli Dodson at shelidodson@gmail.com.

Newsletter Emailing:

If your council is emailing your own newsletters out, we again ask that you put the FCC email address on your list (so that we can archive a copy here) and that you take a periodic look at the lists here at the office so that you can be sure to add new addresses as they are entered into our database.

USPS Newsletter mailings:

Please try to reduce the number of names on your council USPS mailing lists by converting the majority of your members over to emailing. This will save the Councils Center LOTS of money!

Grant reporting up to date:

All State of Alaska grant reports are up to date.

On Leave without pay for the month of July:

Back now and very busy.
