

Federation of Community Councils Manager's Report

November 17, 2010

Talk to your Assembly members!

The proposed budget for 2011 calls for the FCC to be funded at the level of only \$30,000 for the 2011 fiscal year! The 2010 contract is for \$98,000, so this is almost a 70% cut to the budget of the Federation of Community Councils. FCC Chair Dick Tremaine has stated that a cut of this level would mean the end of the Community Councils Center. Please let your Assembly member know how much the Center provides for you and your community council. The last hearing on the budget is scheduled for Tuesday November 23rd. The Assembly will vote on the budget at meetings later this year.

Please volunteer for NUSA 2011 Anchorage Conference committees:

We need people to volunteer to be on NUSA organizing committees. No volunteers, no NUSA conference! Contact Sheli Dodson at shelidodson@gmail.com

FY2012 State of Alaska Grant Requests:

Start planning for the grants you might want to request for the 2012 Fiscal Year. Think of your neighborhood needs and how State of Alaska grant funds could help you meet those needs. I'll let you know when we get the actual FY2012 grant applications so that we can again assist you in requesting a neighborhood grant. Last year was our most successful capital budget request year ever!
