

THE FAIRVIEW NEIGHBORHOOD PLAN

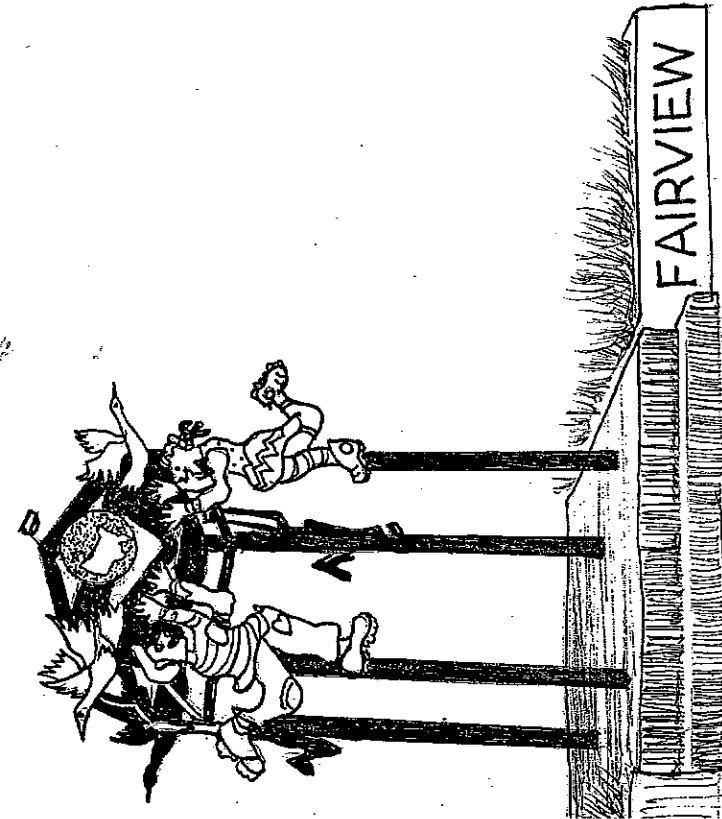

- ♦ What community issues are important to you?
- ♦ What would make your neighborhood a better place to live?
- ♦ If you could make three improvements to your street, what would they be?
- ♦ What do you like most about Fairview?
- ♦ If you could change one thing about your neighborhood, what would it be?

**THERE ARE NO WRONG IDEAS!
WHAT ARE YOURS?**

*As we share our
ideas and concerns,
our vision improves.*

Developing the Neighborhood Plan

We are in the process of developing a neighborhood plan. Fairview neighbors are invited to participate and share ideas.

As one of Anchorage's oldest neighborhoods, we share problems much like other large cities. We strive to provide a forum to solve problems and profile the vision for our future. We depend on grass roots participation in our planning efforts to add practical wisdom in the development of this area of the city.

We are proud of our cultural diversity and celebrate the unique talents and gifts each person brings to the community.

Join us as we build our plan for the future.

Together we can make a difference!

Revitalizing the Community
