*Fairview*

As one of Anchorage's oldest neighborhoods, we share problems much like other large cities. We strive to provide a forum to solve problems and profile the vision for our future.

We depend on grass roots participation in our planning efforts to add practical wisdom in the development of this area of the city.

We are proud of our cultural diversity and celebrate the unique talents and gifts each person brings to the community.

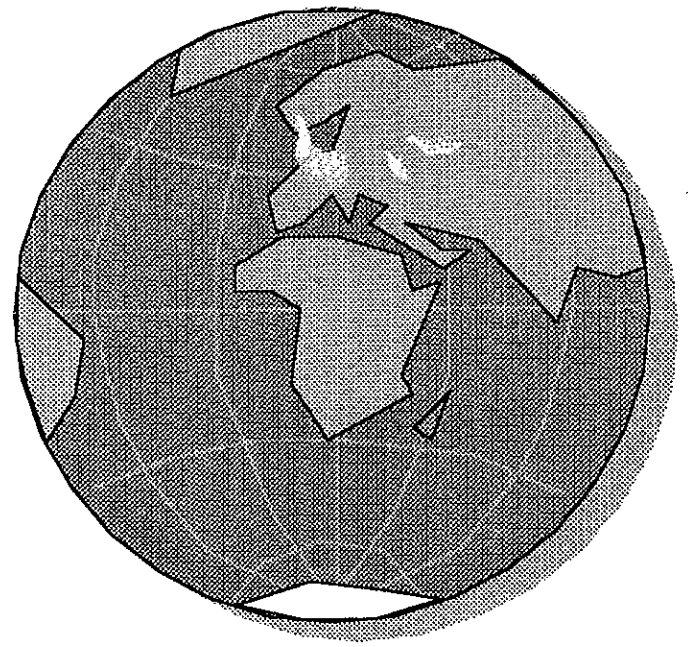

*People Make the Difference*

**FAIRVIEW  
TOWN MEETING**

---

**OCTOBER 20, 2001**

---

---

**THE FIRST AND MOST IMPORTANT  
STEP TOWARD SUCCESS IS THE  
FEELING THAT WE CAN SUCCEED.**
