

Notes from the June 15, 2011 FCC Meeting/Picnic

The August FCC meeting was held at a picnic shelter in Valley of the Moon Park.

Chair Dick Tremaine chaired the meeting.

The meeting was well attended under the circumstances, but significantly less than a quorum.

The group discussed the results of the NUSA 2011 National Conference that was held in Anchorage in May and organized by the FCC. The National NUSA board was very pleased with our event.

The non-quorum event was over by 7:30 p.m.
