

# **Federation of Community Councils Manager's Report**

December 1, 2011

## **The December FCC Meeting has been changed to Tuesday December 13th**

The date has been changed since a large number of council members were not able to attend the normal third Wednesday meeting date (that would have fallen just before the holidays on Dec 21<sup>st</sup>). The Dec 13<sup>th</sup> meeting was chosen as it had the least number of conflicts for delegates. The meeting will be held in the new conference room on the first floor of the building at 1057 West Fireweed Lane.

## **Legislative Requests by Councils**

It is that time of year again to start creating legislative requests by your council, (whether they are for community patrol equipment, a local parks project or something else in your council area.) Let me know if I can help you create the request.

## **FCC 2012 Budget**

We have been told by Municipal Clerk that the FCC budget will remain at \$80,000 for the 2012 calendar year. We will be submitting a proposed budget to the Municipal Clerk's Office in the near future.

## **Proposal to build a new Community Councils Website**

At the November 16<sup>th</sup> meeting FCC meeting, the delegates voted unanimously to approve using \$12,000.00 in 2011 funds to finance the construction of an improved website to replace our existing one. Thank you Susan Klein for your work on this project. We will keep you informed as we work on the new site.

## **I will be out of the office from December 16<sup>th</sup> through January 2nd**

I will be out of state during this time for my holiday leave (without pay). I will be monitoring the [info@communitycouncils.org](mailto:info@communitycouncils.org) email address every few days during that time and will be emailing out appropriate messages and council agendas. Feel free to call me on my cell phone at 240-3868 during that time.
