

Federation of Community Councils Manager's Report

April 18, 2012

Capital Budget

We will work through the State of Alaska capital budget, checking to see what the Alaska State Senate and House put into the FY 2013 Proposed Capital Budget.

If a project in your council area has made the budget, it is important to lobby the Governor to make sure that it is not cut by the Governor. Be sure to communicate with your State Senators and Representatives to thank them for getting the item put into the budget and to ask them to also lobby the Governor.

FCC Officers Positions for 2012-2013

We need officers! Nominations for the four officer positions of the FCC (Chair, Vice-Chair, Secretary and Treasurer) will be open in April and will remain open until the election that is scheduled during the May FCC meeting. Chair Jeff Mittman, Vice-Chair Dick Tremaine and Secretary Susan Klein may run again for their respective positions. Treasurer Al Tamagni is completing his second term, so is therefore "termed out" in the Treasurer position but could, of course, run for another position.

2013 Capital Projects Survey

The Municipality of Anchorage has forwarded to me the blank priority lists for each community council. They are due in late June, so make sure that your council gets a chance to provide input this year. Contact me if you have not received your council's list.

Building a new Community Councils Website

Susan Klein continues to ably head the FCC website committee which is moving forward with a website design.
