FCC Officers Positions for 2012-2013

We still need a FCC Secretary. Is there a delegate that is willing to serve?

2013 Capital Projects Survey

Have you submitted your council priority lists to the Municipality? Do it now!

2012 "State of Our City" Night

We are proposing to host another "State of Our City" event in early to mid-November (after the elections). It would be open to the public and would be held in a large school space.

Center Manager Leave Schedule

I am scheduled to be out of state from Saturday October 6th until Sunday October 14th in order to attend the 85th birthday celebration of my girlfriend's mother and the 84th birthday of my mother. I will be on-line every day and should be able to forward emails and newsletters just as if I was in the office.

Building a new Community Councils Website

Susan Klein continues to ably head the FCC website committee which is moving forward with a website design. Susan and I have been out of town for much of the summer, and will dive back into the project upon her return to Anchorage in the near future. We should have a test site in early October.
