

Mountain View Community Council 9/10/2012 Meeting Minutes

Heather Aronna - Representing Patric Flynn

- Pleased to see improvement to see improvements at William B. Lyons Park

Max Gruenberg

- Tomorrow will be dedication of city's new rescue boat at harbor.
- Fire Station 6 complete, will open later in October.
- Fire Station 3 looking for new location. Landtrust land has some problems, still looking in Bragaw/Glenn interchange. Will be centrally located on good land.
- Getting money for spay and neuter clinic for animal control. Have about \$85,000 Need about \$300,000.
- Wind Damage
 - Cleanup effort underway
 - If there is any damage contact Max if you have any issues with insurance companies, just dealt with this issue.

TJ - Representing Bill Wilichowski

- Senetors discussing having power companies explain why outages were so long and plan in the event of an emergency worse then this.

Bob - Cook Inlet Housing

- Slow year in respect to activity done in previous years. Seven houses under construction now, wrapping up duplexes which part of a 2 year effort.
- Have plans for more duplex and fiveplex construction. 330 Price Street is slated for demolition, been a problem property. Rest of development is taking place on vacant land.

Erin Hardy - ACLT

- Community Gardens
 - Gardens have been turned over, composted and will be ready in summer.
 - Application should be coming in around March. Preference is given to residents.
 - Arch made by local artist Aurora Syndiando.

Kirt Rose - ACLT

- Mt. View Drive
 - Fire Station 3, thought we would know more. Meeting rescheduled. John's RV under consideration.
 - Price Street Building. Tenants signed up for east side of building with artist studios. Looking for tenants for west end.
- Mt. View Community Summit October 5th and 6th at Clark Middleschool. Want to get community together to plan for the future, develop goals and action steps. Stepping stone for a neighborhood plan. Please be there and spread the word to neighbors.

Elizabeth - Mt. View Neighborhood Library

- Libraries are expecting a larger cut in budget (3-10%)
- Not sure what this means for our library. Expect cuts at lousac which will still affect the Mt. View Library.
- Second anniversary of library, increased in all areas 30-40% since opening. Tripled number of activities offered. Circulation has doubled.

Don Crandall

- Greg Uptagrove did a great job on the new art piece on Mt. View Drive but was unable to make it this week.

Laura Strand and Nikki - Alaska SPCA

- Runs clinic, pet food bank, thrift store, education, can help with adoption fees from pound.
- Has grant from PetSmart to provide cat spay and neuter clinic in the 99508 area. Hope to provide 1,200 operations, wants help getting the word out to the community.
- Talk to Mark Butler about putting out an email announcing the program.

Election Results:

President: Daniel George

Vice President: Don Crandall

Treasurer: Diane Mead

Secretary: Kirt Rose

Don Crandall

- Resident reported problem with speeding on Klevin. Ideas? Call police, speed bumps, flashing signs, etc.
- Is there a motion to ajorn? Motion to ajorn. Seconded.
