

Federation of Community Councils Manager's Report

December 19, 2012

Manager's Holiday Leave

Mark will be leaving the state on Saturday morning December 15th and returning to Anchorage on Tuesday January 2nd. Betty will be sending out emails from the office and I will be doing the same from out of state.

FY2014 State Grants

Be sure to contact your legislators to request grants for your community council and community patrol. Please let the Councils Center know of your request as well, so that I can enter the information into the CAPSIS system for you.

CC Officers Positions for 2012-2013

We still need a FCC Secretary. Is there a delegate that is willing to serve?

The Anchorage Handbook

We need people to work on updating the Anchorage Handbook. Can you help?

2012 "State of Our City" Event

The 2012 "State of Our City" forum was held Monday evening November 19, 2012 at Romig Middle School. Over 120 people heard seven community leaders speak (Assembly Chair Ernie Hall, Ovarian Cancer Survivor Mary Rita Ely, Title 21 Advocate John Weddleton, Municipal Clerk Barbara Jones, Artist Sheila Wyne, Airport Director John Parrott, and Senior Statesperson Arliss Sturgulewski) for seven minutes each. It was a major success.

Mark Butler

Manager
