

Federation of Community Councils Manager's Report

April 17, 2013

Midtown CC President Wins Award

Congratulations to 32 year-old MTCC President Chris Bond for winning the distinction of being named one of this year's "Top 40 Alaskans, Under 40"! And thanks Chris for reinvigorating Midtown's community council.

Capital Project Wish Lists for your Council Area are here!

The MOA Office of Management and Budget (OMB) has posted lists of potential capital projects for each of the council areas. OMB would like each council to have their completed priority lists submitted to the OMB by June 1st. That means that you must have your council vote on the priorities during your April or May meetings.

The FCC Officer Positions are up for Election

All FCC delegates are eligible to run for FCC Chair, Vice-Chair, Treasurer and Secretary. Nominations will be taken during the April and May 2013 FCC meetings. The election will be held at the May meeting.

Mark Butler
