Capital Project Wish Lists for your Council Area are here!

The MOA Office of Management and Budget (OMB) has posted lists of potential capital projects for each of the council areas. OMB would like each council to have their completed priority lists submitted to the OMB by early June. That means that you must have your council vote on the priorities during your May or early June meetings.

The FCC Officer Positions are up for Election

All FCC delegates are eligible to run for FCC Chair, Vice-Chair, Treasurer and Secretary. The nomination period is still open and will remain so until the elections that will be held in the May FCC meeting.
