

Federation of Community Councils Manager's Report

September 18, 2013

Make sure that you send your Council's Capital Project Wish Lists to the Municipality

The MOA Office of Management and Budget (OMB) website

<http://www.muni.org/Departments/budget/CIPArchive/Pages/2013%20CC%20Survey%20for%202014.aspx> shows that only 18 councils have sent in their wish lists. Make sure that you send yours in right away! This fall the Administration will be creating their Municipal Wish List.

The FCC Officer Positions filled at May 2013 Election

Brit Szymoniak (Government Hill) was elected as FCC Chair, Dick Tremaine (Rabbit Creek) was elected as FCC Vice-Chair, Kep Pierce (Mountain View) was elected as FCC Treasurer and Bob Churchill (Rogers Park) was elected as FCC Secretary. Thank you for your service to the FCC and to the community.

Archiving of older Community Council documents

Let Mark know if you have any council documents that you wish to archive at the UAA Archive offices in the UAA Library. Click on the following link to see what council documents they currently have:
