

Federation of Community Councils Manager's Report

December 11, 2013

FCC Facebook Page

There is now a Facebook page for the Federation. There are already 40 people who have "Liked" the page. If you communicate via Facebook, then "Like" the FCC page. On last Thursday December 5th (the big ice storm day when the schools were closed), we were able to post the cancellation of a meeting for one council (and that three others were still having their meetings.) Over ten councils have council Facebook groups or pages.

Photos and videos from the 3rd Annual "State of Our City Forum"

Anchorage Daily News photos and Alaska Commons videos of six of the eight speakers at last month's forum have been posted on the FCC Facebook page and to the FCC website. We will post the last two videos when we get them.

Council Photos

Please submit horizontal photos of your community council area. We need them to use on both your outgoing newsletter e-mailings and on your council page on the redesigned FCC website. Only four councils have submitted photos to date.

The FCC Secretary Position Open

Please consider becoming FCC Secretary!

The FCC Website Re-design Well Underway

We will have a draft design for the new website available at the FCC meeting that is scheduled for Wednesday December 18th for review by council officers and delegates.

Mark's Plans to be out of the Community Councils Center

I am scheduled to be out of the office over the winter holidays (December 13th through January 1st) on two weeks of my annual unpaid leave. I'll be in touch on the computer or by cell phone (240-3868). I will go on vacation January 10th and will be back in the office on Monday January 20th.

Mark Butler

Manager

Community Councils Center
