

AN **OPEN HOUSE** FOR THE  
MOUNTAIN VIEW TARGETED NEIGHBORHOOD PLAN

AT THE MOUNTAIN VIEW LIBRARY FROM 1-4PM  
ON SATURDAY, JUNE 27, 2015

We want to hear your thoughts on the Mountain View Targeted Neighborhood Plan! The plan is the result of a partnership between the Mountain View Community Council and the Anchorage Community Land Trust. In 2012, the planning process began with the Mountain View Community Summit, a three day event where residents and stakeholders came together to envision the future of their community. Three years later, after countless surveys, focus groups, discussions, and presentations, the Mountain View Targeted Neighborhood Plan has been created, and we want you to be the first to see it!

The plan envisions a Mountain View that is thriving economically, and that provides employment, quality housing, cultural and recreational amenities, basic services, and a healthy commercial corridor.

At this open house, we will share the plan draft, and ask for your comments and your support as we seek to have the plan adopted by the Municipality of Anchorage, and to make Mountain View a neighborhood of first choice.
