

Rabbit Creek Community Council, Informational Meeting on Rabbit Creek Greenbelt
May 27, '03, Rabbit Creek Church

Board member Ky Holland opened the meeting at 7:10pm with an introduction to the long history of the Greenbelt dating from 1961. I

In attendance from the MOA, Parks Department was Wes Acree and Carolyn Bloom, and Park Commissioner, Mr. Nehr. Rick Sinnott from ADF&G and Sue Rodman, from MOA's Firewise Section were also present.

Nancy Pease and Dianne Holmes gave a brief run down of the events of the most recent greenbelt development—grants to support and construction of the ¾ mile trail and bridge.

Questions from the audience of about 45 people included:

- Non-motorized trail status
- Multi-use designation
- Watershed designation

Ky presented the Council's final plan for approval, point by point, that went before the PARC in May. Questions centered around the:

- Canon Rd connection/easement between park parcels
- Extent of clearing on the existing old trail
- Parking areas
- Relationship of increased use to ADF&G's report.

Another meeting was requested to work out details of the final plan—either May 18th or 19th, 7 pm.
