ALCC Procedures regarding Elections of Officers and Board

- Elections are held on the last Thursday of September for Officers and Board members.
- Starting at the August regular meeting the Secretary shall record the names of persons interested in running for office.
- At the beginning of the September meeting, the President shall call the body to order and proceed through approval of the minutes and treasurer's report.
- The President will appoint someone who is not running for office to run the elections.
- Nominations will be opened for each officer position one at a time. Candidates may give up to a three-minute speech on why they are running. If there is more than one nomination, a ballot for that office only will be handed to each qualified member.
- Three members will count the votes and report the winner of that office to the body. This process will be repeated for the other three officers, one at a time. This allows the other nominees to run for another office or board position.
- Following the election of officers, a ballot for the nine-member Board of Directors will be handed to each qualified member. Nominations will be taken from the floor and each member will write any additional nominations on their ballot.
- After nominations have been closed, Candidates may give up to a three-minute speech about their qualifications, interest in the Community Council, and the position. Candidates do not need to be present; however, they must have acknowledged to the Secretary they are willing to serve.
- After ballots have been collected, the three-member election team will count the ballots. The meeting will proceed during this phase of ballot counting with the President resuming control of the meeting.
- The results of the new board will be announced before the meeting adjourns. New Officers and Board members take office after the September meeting is adjourned.
