**The Abbott Loop Community Council will meet Thursday, April 24th at the Abbott Loop Church in the Southwest Conference room at 7:00 PM**

### PRESENTATIONS

1. CRW Engineering Group and the Municipality of Anchorage, Project and Engineering Department have recently begun the planning phase of the East 84<sup>th</sup> Avenue/Spruce Street Upgrade Project. They will be making a presentation and obtain public input about the project. Now is the chance to see what is happening and get your questions answered!!!!
2. Mark Butler, Community Relations Director from the Airport will be giving a presentation about the increase in flights over our neighborhoods during this summer due to the reconstruction of the North South runway. He will be available to answer questions and possible.
3. The Parks and Trails committee will be giving an update on their recent tour with John Rodda, director of Parks and Recreation regarding Parks needs and improvements in our area.
4. We will be having an update on the code violations on the Carlson Road, including the entry of the Abbott Community Council as a co complainant. The council has also intervened on behalf of the neighbors regarding the application by the Church for right of way encroachment.
6. The planning and zoning committee will be giving its report on upcoming cases, ordinance changes and recommendations.

### UPDATE

**CAPITAL PROJECTS:** The council has submitted the ranking and list of projects to the Municipality. These were primarily based on the Area Wide Survey completed in 2001. There were 3 additions on streets for Recycled Asphalt Paving added to the list. This list will be sent to other entities within the city, and to State Department of Transportation. We will have a limited number of copies for the meeting.
