New Business

- **Solarize Alaska: Patricia Anderson:** Solarize 2020 is a program to leverage economies of scale by increasing the number of homeowners willing to invest at the same time. They have divided Anchorage by community councils and are issuing RFP's to companies to bid on installation. The more homes that submit applications, the lower the cost per panel. For 2020 you would qualify for an investment tax credit of 26%. Turnagain has done 74 installations, South Addition 48 homes, Rogers Park 36 homes, and Airport Height 33 homes. We would have to form a committee to submit at least 50 names of interested people with name, email, phone, and address by December 1, 2019.
