

RESOLUTION
ABBOTT LOOP COMMUNITY COUNCIL
OCTOBER 29, 2015

A majority of the Abbott Loop Community Council members in attendance at the October 29th 2015 meeting of the Council agreed that the proposal for a trail to connect the Rilke Schule German School of Arts and Sciences to Meadow Park would be a net plus for the community and a worthy use of public funds.

A motion of support was offered and seeing no objection the chair, ruled the motion to have been approved.

Sincerely,

Ray Metcalf
Abbott Loop Community Council President
