FY2012 Continuum of Care

**November 12, 2012
Agenda and Summary of Work Session**

Dear Community Member:

For your convenience, we are posting all Continuum of Care (CoC) agendas, minutes, pertinent resource information, and future scheduled meetings so that all interested community members can participate. As you know, the CoC process is meant to be fully inclusive and this is one of the ways we intend to honor that expectation.

In that spirit, please forward a link to this information to anyone you think should be part of this process, as well.

You will find the November 12, 2012 Agenda and Summary of Work Session, which includes future scheduled meeting located at:
