Re: Girl Scout Junior Troop 631 – Bronze Award Project Proposal

To Whom It May Concern:

The Chugiak Community Council met on 5/15/2014 and heard testimony from Girl Scout Junior Troop 631 regarding their Bronze Project Proposal. Their proposed project is to take down and refurbish the Northwood Community sign. While the Chugiak Community Council does not have any authority over the Northwood Community sign, the Council recommends that Girl Scout Junior Troop 631 seek out the owner of the sign and gain the owner's permission to refurbish it.

The Chugiak Community Council unanimously passed a vote of confidence for the proposed Girl Scouts' Bronze Project and Board Member Pat Tilton offered to help track down the owner of the sign.
