SACC

SPRING IS HERE!!!! YEA!!

Our meeting has many presentations.
We will run a timely meeting.

In May we need to bring together our ideas and wants for our community.
The Capital project lists need to be updated and prioritized.

I am in communication with the Muni regarding the naming of Baseball field after Chad Bax.
We are going forward with the grant paper for help with our signage
I am working towards finalizing the grant monies from 2003.
Again, A big Thank you to Pastor Polk and Calvary Church for helping us set up for the meeting.

We are in need of a secretary! Time to volunteer!
Check out our web page!
