Dear Assemblywoman Ossiander and Assemblyman Starr:

The Chugiak Community Council requests that private clubs be clearly exempted from the local no-smoking bans in the portion of the club that is constructed in a manner that the area where the smoking is permitted is structurally separated from the non-smoking areas of the club; constructed with a door between the non-smoking areas and the smoking area of the club; and vented in manner that minimizes and prevents the recirculation of air from the smoking area back to the non-smoking area.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Amy Demboski", with a large, stylized flourish at the end.

Amy Demboski  
President  
Chugiak Community Council
