

Campbell Park Community Council

January 17, 2013

To whom it may concern:

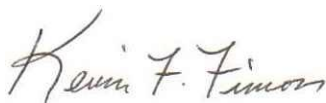

We the Campbell Park Community Council draft the following resolution in support of the YMCA capital funds request to be used to improve the building, equipment and facility located on Lake Otis Parkway.

Whereas the Anchorage YMCA has provided services to the community in its existing structure for over 30 years and has been a good neighbor and community member and

Whereas the population served has more than doubled in the intervening time and placed excessive service demands on YMCA staff and its facility and

Whereas the needs of seniors and youth have expanded beyond the existing facility's ability to conveniently and efficiently serve the public,

Be it resolved that the Campbell Park Community Council voices its support of the YMCA request to the State of Alaska for capital funds totaling up to ten million dollars for the expansion and renovation of the Anchorage YMCA facility on Lake Otis Parkway.
