

TURNAGAIN COMMUNITY COUNCIL (TCC)

TCC Web Page: <http://www.communitycouncils.org/servlet/content/37.html>

Notice of Meeting— Thursday, Sept 06, 2006, 7:00 PM

Turnagain Elem. School Library— 3500 W. Northern Lights

> Welcome back to the fall TCC session! I hope you had a fine, but alas rainy, summer. This meeting is all about project updates—ongoing & planned projects. However, first let me invite YOU to be more involved in your Community Council. We need someone to help with organization and coordination for Didlika Park Improvements. Candi English has been spearheading this for a long time and needs to hand off the duties.

> Next summer is slated to be a very active construction period in our neighborhood. You can influence how this construction is executed, but ONLY if you attend the public meetings and participate. I will strive to keep you informed with agendas, Emails, and the TCC web page. But it is up to you to attend, if at all possible. Contact any on the TCC Board if you are interested in helping with Didlika or getting more involved. *Thx Mark*
