LOCATION: BAXTER ELEMENTARY SCHOOL, MULTIPURPOSE ROOM (Cafeteria).

AGENDA ITEMS FOR September 28:

- LEGISLATIVE AND ASSEMBLY REPORTS (as available)
 - Lance Pruitt, SOA Representatives report
 - Cathy Giessel, SOA Senate report
 - Pete Peterson, MUNI Assembly report
 - Forrest Dunbar, MUNI Assembly report

- FIRE STATION NO. 14 REPORT – C Shift (as available)

- UPDATE: Campbell Airstrip Road Upgrades Project – Completed
CRW Engineering, GMC (the contractor), and MUNI PM&E all did a fabulous job on this project. I came out fantastic; much improved in terms of safety and usability.

- LRSA REPORT– Ted Trueblood
Winter is coming right around the corner.

- UPDATE: MUNI Road Maintenance/Restoration
 - Paving for CAR/Basher Rd. in the area near Basher Trailhead by the MUNI Street Maintenance Department is now completed. It was funded by unused funds leftover from other projects to an upper limit of \$200,000. It appears this project gave us a lot of extremely well done work with very limited resources available. It was scheduled and performed as or better than we were promised. Jason Bockenstedt (PM&E, Maintenance and Operations, Special Admin Assistant), Paul VanLandingham (PM&E, Maintenance and Operations, Senior Maintenance Manager), and James Belz (PM&E, Maintenance and Operations, Street Maintenance Superintendent) all did all they could for this project to be so successful.

- Summer Community BBQ- I was too busy this summer to set a date for this event. It traditionally took place mid-July. At this BCC meeting we can decide if we wish to cancel it for the year or have one in the fall. We need someone/a volunteer to step up and help with planning for next year's event.

- Natasha Walsh presented at our last BCC meeting providing an update on Neighborhood watch. We need to determine if someone wants to take the lead in getting this program going.

- Lance Pruitt has an issue that he wishes to discuss regarding planned use near the Totem Theater on Muldoon Road with-in our adjacent neighbor Community Council.

Thank you,
Don Crafts, Basher Community Council President
