8:30 pm Committee Updates: SAAC
Strawberry Road
Welcome sign

9:00 pm OPEN

The executive board and some neighbors met last Tuesday night to discuss the plans for the land behind bowling alley. A very productive meeting.

The plans are asking for the special limitations to be removed and a business/townhome design is being presented. A multi-use concept.

This goes before planning board Tuesday night August 2 at 6pm. For more information please call Mr. Prichet at 277-7090 or e mail him at Harvey@dean-architects.com

The Mary Magdalene ministry has a new good newsletter out: for more information please call 277-6642 or e-mail mmha@gci.net

A reminder that SAAC is having their Tea party and Garden Tour fundraiser on August 7th. A \$10.00 donation please. An e-mail is being sent out also. Time:1-5pm

There is also a childrens craft party, same time as tea time. Please no dogs and park off the street. 6233 West Dimond.

The community of Sand Lake has been pursuing fund raisers for Chuck Nagel- Dimond High School band teacher. If you would like to donate please send donations to Dency Dokoozian-1700 Shore Drive 99515.

There is a bank account open for Mr. Nagel and Dency will receive your donations. Thank you for the wonderful response we have had and hope to continue to have. Mr. Nagel, as many as you know, is battling a health journey.

As a community we have been struck by the deaths of the Scout leaders at the Scouting Jamboree. To all of the family members....please accept the prayers and concerns from the Sand Lake Community. Many of us knew personally these men. Mr. Michael Shibe lived here in Sand Lake. We all recognize the huge loss to our community. May we all lift these families up in prayer.

SAND LAKE IS A VERY CARING AND ACTIVE COMMUNITY.

THANK YOU TO ALL OF YOU WHOM HAVE TAKEN TO TASK THE MANY DIFFERENT WAYS YOU HAVE REACHED OUT TO HELP EACH OTHER! YOU ARE AN AWESOME COMMUNITY. ONE IN WHICH I AM PROUD TO LIVE AND REPRESENT AT A GRASSROOT LEVEL!
