

# Sand Lake Community Council

Grass roots community involvement in Anchorage, Alaska

The Sand Lake Community Council is the Western most Community Council in the city of Anchorage, encompassing the geographic area between Campbell Lake/Diamond Blvd on the south, International Airport Rd on the north, Minn-sola Drive on the east, and the ocean on the west. Our purpose is to encourage active participation in neighborhood and community events, activities, schools—all of those things that make a viable city—and to advise the Anchorage Assembly and other groups about our area.
