**Thru:** *MM* Michelle J. McNulty, AICP, Planning Director  
*W* Carol Wong, Long-Range Planning Manager  
**From:** *KB* Kristine Bunnell, Senior Planner, Planning Department  
**Subject:** PZC Case No. 2019-0079, *Anchorage 2040 Land Use Plan* – Action 4-6; AMCR 21.90 Update

The Planning Department is requesting postponement of PZC Case No. 2019-0079 until August 12, 2019, in order to extend the public hearing comment period through Friday, July 19.

Some agencies need more time to review, and this would allow staff enough time to address the comments in the staff report.
