**Topic:** Senate Bill 45 Delay Resolution

**Submitted to:** Alaska State Senator Cathy Giessel

**Sponsor:** Bear Valley Community Council, Anchorage AK

The Alaska State Legislature. The subject of this resolution is to request a delay in Senate Bill 45 which addresses Parks and Recreation Service Areas.

We the members of the Bear Valley Community Council of Anchorage Alaska do hereby propose a resolution to delay Senate Bill 45 for further clarification and discussion. We believe the wording of the bill may conflict with municipality charter.
