LETTER FROM SHERRI

I love to dream... I dream often and sometimes I think dreaming is therapy. When you dream, the dream is yours! I have had a dream for our neighborhood for a few years. One day as I was cruising up 15th Avenue returning from my sons hockey road trip to Fairbanks, I saw the big "Welcome to Fairview" sign. I said WOW, this would be so wonderful to have in our "hood". *Welcome to Sand Lake!* Right where you exit off to Raspberry from Minnesota Drive. Well, dreams can come true. Through my AWARE project I spoke with my neighbor Jody who is an artist. We have shared and he is making up some plans for the design. Jody thought a loon on the lake would be appropriate. Well, we are in the beginning process of making this dream a possibility. It is a huge Journey of a process... but dreams can come true. If you would love to share your ideas and thoughts please email me and lets share!
