SAND LAKE COMMUNITY COUNCIL
MONDAY, OCTOBER 13, 2003 7:00PM
SAND LAKE ELEMENTARY SCHOOL LIBRARY

Here come all the holidays! And such a beautiful time of the year! And my favorite time of the year!
Lots of news to share!

With a great sadness, but with understanding our secretary, Becky Roth, has resigned due to many family reasons. You will be so missed Becky. Thank you for the great job you did for our community as our secretary. You are a Blessing! Becky went above and beyond to ask a volunteer to complete her term as secretary. Thank you, Mike, for helping us.

The month of November is our nomination of new leadership.

I have decided, after much encouragement from many, over the last 2 years, to run for the assembly seat held by Fay Von Gemmigen, which is an open seat. I have served 5 years as President and have loved every bit of it.

Change is good. Please, let us elect someone to our chair that will be fair and have no personal agenda. The nominations are....

please call me at 223-0684 if you are interested in any position.

October is parent involvement in Education month. Please contact Lori Nakanishi@742-4158

A neighbor needs help...Marien has lived here since 1957 and her husband can no longer put up the snow stakes that he is required to...She lives in the Raspberry-Cranberry area.

If you would like to help this neighbor out, call 223-0684.

Older Persons Action Group announces their special Art Contest. The Theme is "What does an Elder Mean to Me?" Cash Prizes for the winners.

For more information contact Ray Clements at 276-1059. Information will be at the council meeting also.

The Rotary Sponsored Kincaid Park Playground project is still on track. Due to delays on getting certain fill, the installation will be postponed until next spring. The equipment has arrived and looks great. For more information call Kim O'Meara @245-4475.

There is a 4th Annual Town Hall Meeting announced by the Community Based Action for a Safer Society.

It will take place November 12, 2003.

5:30-6:30 opening reception; 6:30-8:30 Town meeting.

Meeting is in the Commons Room of East High School. The focus is on impact of alcohol and substance abuse on our families, neighborhoods and community. Join other citizens, judges, state legislators, community leaders and students share in community problems require community solutions!

A reminder that work is being done on Campbell Lake.

A big congratulations to that hard working Perrins family! They are opening the new coffee wagon at the far end of Carrs parking lot. It is called FIRE and ICE! Mmmmmm good!

The Aware with Care program needs volunteers to help educate and inform. So, get involved and lend a hand. This city wide disaster preparation program will speak volumes about Anchorage's spirit and determination. And it will help protect lives!

The Aware with Care program is available for community groups, senior centers, churches, caretakers, and Individuals.

While supplies last, we have free emergency kits to give away to our city's seniors and citizens with special disabilities. To find out more about the Aware With Care program, visit us on line at muni.org. Or, call the program office at 343-4491

Remember, we cannot predict, only prepare. Are you Aware?
