**There has been alot of problems of differrent sorts in the area behind
Carrs on Jewel Lake. Brian, with Denali Commercial Properties, has
managed to get a permit and they are clearing brush and some trees and
having cleanup for what has become a mess. On behalf of the council I
would like to thank them for their concerns and action they have taken
to make our community safer!**

Thank you Gail Heinemen for representing our council at the Jewel Lake Villa grand opening of their computer center. This center is for the entire community. You just need to talk with Marie at Jewel Lake Villa. What a gift to this community

Next April there is a city wide election of assembly positions. Our assembly member Fay Von Gemmigen has served us for 9 years! We would like to present to her recognition from this council in Dec. I would also like to present our outgoing secretary and treasurer with recognition for their years of serving our council and community.

December will be a sad and happy month for me. It will be my last month serving as president after 5 years. I am truly going to miss serving in this capacity. I press on and will attempt to serve at another level by being a candidate for the assembly seat. Presently we have 5 people running for this seat. Joe DelDonno, Jim Knutsen, Pam Jennings, Dave Werdahl and Sherri Jackson. It is an open seat and there may be more running before the deadline filing date.

Mr. Dave Hultquist will be here in December presenting/updating Kincaid Estates and answering questions our community may have.

!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! HAPPY THANKSGIVING !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
