

## College Gate Community Patrol, Incorporated

If you live between Baxter and Lake Otis, and Northern Lights and Tudor, you now have a community patrol and we need you.

Enrollment is open and the requirements are easy to meet. This totally volunteer force is only as strong as its' community volunteers.

Can you answer yes to any of these questions?

Do you walk your dog or do outdoor activities?

Do you drive the long way home through your neighborhood some nights?

Do you have 15 minutes before or after school to stand outside or watch for the safety of children?

Do you have an evening or two that you could drive around the University Council area?

Would you ride along as an extra set of eyes and ears?

Would you listen to a police scanner and provide dispatch information?

If you say yes to any of these then we need you and your support.

After a few brief hours of training, you would be ready to do these things as a Patrol Member. With the help and support of the Nunaka Valley Community Patrol and the Anchorage Police Department, as well as the Federation of Community Councils, we have been able to put in place a great training program. Hop on board! Ride along! Check this out! See if it is something you could support.

We would like to hear from you. Your comments and input are valuable. Please let us know how you feel about this and if you would like to participate. We will respond to emails with a more in depth information page. If you have any other questions or would like to talk to a Patrol member, please call Liz Patrick at 444-1815 (cell) or 333-1892 (email) [checkmatedrive@gmail.com](mailto:checkmatedrive@gmail.com) (Please reference community patrol in the subject). Also, if you email Liz and do not get a response feel free to call as well.

Your College Gate Community Patrol

Our meetings dates and times have been set for the 2010-2011 council year. The community council will meet the first Wednesday of the month beginning in September with the last meeting in May. The meetings are from 7 pm to 9 pm. at the College Gate Elementary School Library.

The fourth Thursdays each month beginning in September (except for November and December) there will be a UACC board meeting which is open to the public from 7:00 pm to 8:30 pm at the College gate library.

The Chester Creek Trail project is going along nicely. The trail heading south along the power lines should be done by the end of the month. The southern east to west route should be done by the end of the construction season.

If you a road project not on the Capital Improvement Project list let me know. I am on a committee looking at roads in the municipality. This would be an opportune time to address these needs.

Still looking for officer nominations for the 2010-2011 council.

Please pass this newsletter to your neighbors. If they have questions they can e-mail me at [remrrm@ak.net](mailto:remrrm@ak.net).  
Thanks Robert

### UACC Board

**Robert McClung** President

**Craig Valentine** Vice President

**Patty Williams** Member-at-Large

**Tim Neale** Member-at-Large

**Betty Adkison** FCC Representative

**Francis Seater** Zoning Rep
