THANK YOU TO NANCY BENTLEY, our interim secretary. Nancy has been taking a great load off of me and doing a fantastic job. Her enthusiasm is an asset also. Thank you Nancy for all the foot work you did to see us have our meeting regarding the gangs at Dimond High School Oct. 25.

The meeting about gangs was hosted by Sand Lake Community Council and Dimond High PTSA. A very informative meeting and many good questions were asked. Thank you to Cindy Sims President of Dimond PTSA and Lt. Honeman and staff. A thank you to Dimond Principal Mrs. Guyette. We are hoping more meetings area wide in our city will take place in near future. It was really good to see many families attend this meeting.

CINDI STANTON IS BACK! It is so great having Our Cindi back. Cindi keeps us so informed and updated on various issues in our community. She is a tremendous resource and a relationship to us from the APD! We so appreciate you Cindi and we thank the chief for letting our communities continue to have you at our meetings!

HAPPY THANKSGIVING!!!!!! Remember to vote!!! See you November 13!
