General Membership Meeting

**Consent Agenda**

Call to Order: 7:07PM by President Hoffman

This was an online Zoom Meeting. No signup sheet was recorded. Approximately 12 members were in attendance.

Board Members Present: President Hoffman, Vice President Carter. Secretary Ayers and Treasurer Brock excused absent.

Previous Minutes Approved by Dave Carter, Seconded by Bill Hause

Treasurer's Report: Current Balance \$1228

**Legislator Reports**

**House – Chuck Kopp**

- Covid-19 funds to be dispersed by the State
- Reminder to complete annual CIP ranking by council membership

**Assembly –John Weddleton**

- Assembly work continues despite the current pandemic
- Assembly trying to figure out funding from the federal government but not for current expenses
- Renter assistance package approved- \$1 million to business, \$1 million to rental assistance
- Cares Act discussion
- Streaming future assembly meetings

At this point in the meeting, President Hoffman encountered multiple computer and internet issues preventing him from continuing in his direct participation in the meeting.

Bob Laule and David Carter finished the meeting as follows:

- The proposed CIP was approved
- Discussion was held concerning the “race track” and possible solutions. A homeowner for the Olympic Subdivision identified a house on White Fish Drive as a problem house including some of the racing cars. Active between 11pm and 3 am. They are a neighborhood nuisance. APD has been advised but no action taken yet.

No other new business was brought up.

Zoom crashed once more preventing any further note taking.

The meeting was unceremoniously adjourned at approximately 8:08pm

Respectfully submitted,

Bob Hoffman  
President
