The new bus route (85) that People Mover was planning to introduce in August has now been put on hold until 2021. This route would have provided bus service back to Turnagain and the Loussac Library. This new bus route resulted from a year and a half of public outreach and advocacy leading to an increase in matching funds approved by the Anchorage Assembly in the 2020 budget.

● **APD PATROLLING BEATS LINING WITH COMMUNITY COUNCIL BOUNDARIES**

The Anchorage Police Department has announced that the boundaries of the police beats have been changed to more closely align with community council boundaries. Officers will be assigned to the same areas every day, which means neighbors will become more familiar with those answering calls in your area. Officers will also be able to hone in and address the specific needs in your neighborhood. In addition, each officer will be able to access the most current call-for-service data for the area they are working.

√ **REMINDER:** You can look up crimes that have been reported in your community by accessing the **Community Crime Map** at: <http://communitycrimemap.com>

- **CALL 3-1-1 TO REACH ANCHORAGE POLICE DEPARTMENT FOR NON-EMERGENCIES**

A new telephone directory was launched March 27, 2018, to allow residents to reach often-accessed city services more easily, including the APD non-emergency line. The number prioritizes access to APD's non-emergency line, which will relieve pressure on 911 and is easier to remember than the seven-digit phone number.

In addition, Anchorage 311 will serve as a general directory for frequently contacted departments, such as Street Maintenance, Code Enforcement, the Mayor's Office, Traffic, the Municipal Clerk's Office, Fees and Taxes, Vehicle Impound, and Health and Human Services.

For more info, contact: Kristin DeSmith, Communications Director, desmithk@muni.org, 231-2226.
