OLD BUSINESS discussed:

The Geneva Woods Homeowner's Association presented a resolution in opposition to a proposed amendment to the B3 zoning code. There was vigorous support from many attendees for this proposal, much of which reflected concerns outside of the scope of the zoning changes the assembly will be considering at their meeting in early March, especially regarding the placement of social service facilities in the area. Recommendations were given to the proposal authors to clarify various points.

The meeting was adjourned at 9:13pm.
