WHEREAS, improvements to the Eagle River Nature Center, as discussed in the community meeting on April 14, 2021, will further enhance this facility;

THEREFORE, BE IT RESOLVED THAT:

1. The Eagle River Valley Community Council hereby supports the Eagle River Nature Center's 2021 Recreational Trails Program Proposal for reconstruction of the Salmon Viewing Deck which will provide new decking and railing materials for approximately 100 feet of deck which is currently not level and presenting trip hazards to the thousands of people who visit the facility each year.
2. The Council is aware that the remaining 200 feet of deck is in need of extensive repair which will involve replacing the deck support structure as well as deck materials and railing. This work, which we also support, will be funded by FEMA and other donors, and is scheduled for 2022-23.
