

Here is an update from Anchorage School Board member Kelly Lessens. Kelly Lessens is a liaison for the Hillside Community Council during the upcoming year. The ASD Board meetings are being held on Mondays during the month of May, so Kelly is unable to attend the 5/17 meeting; however, she has provided this update for HCC members:

Update from Kelly Lessens, ASD Board member:

- Four new School Board members were sworn into service on 5/3 (after the election was certified and recounts conducted). At that point, the seven-member body elected Margo Bellamy to serve as President, Andy Holleman as VP, Carl Jacobs as Clerk, and me (Kelly Lessens) as Treasurer.
- ASD is planning a robust summer school program for elementary (K-5) and secondary (grades 6-12) students, both in-person and virtual, based on the student's learning needs. More information is available [here](#).
- Returning students can NOW be [registered online](#) for the 21-22 school year.
- Starting July 15, ASD will be offering an online pre-enrollment option for those who are new to the district, with more information [here](#).
- If individuals want to reach me, as an individual Board member, they can do so at lessens_kelly@asdk12.org or leave a voicemail at 907-742-1101 ext. 2.
- The next regularly scheduled Board meeting will be June 1.
