

Dear Downtown Neighbor,

Skinny Raven Sports is hosting our annual Frightening 4k race Saturday, October 30th. Safely executing our race means closing some streets and alerting other users to our participants presence on the roads. You can expect about 800 runners to pass by between 10:00am and 12:00pm.

The racecourse begins on 4th Avenue and uses H St. and Christensen Dr. to navigate down to 1st Ave. From 1st the course goes left on N Cordova St and right on E Ship Creek Ave. The race does an out and back on E Ship Creek Ave and then uses the same roads to run back up to 4th Ave, finishing in front of the Hotel Captain Cook.

We are asking for, and appreciate your patience with our event. Please be encouraged come out and cheer our participants on. Play music, dance, and otherwise distract them from their pain of racing. It is our goal to produce healthy positive events in our community. If you have any questions please email timing@skinnyraven.com.

Thank you,

Skinny Raven
