The MTP is a 20-year, integrated, multimodal plan that addresses both current and future transportation needs. Here are some ways to stay up to date on plan progress.

1. General AMATS E-mail list – This is for everything we do, from meeting notices to project/plan notices to sending out our newsletter. You can select what you are interested in: [AMATS Metropolitan Planning Organization \(list-manage.com\)](https://www.amats2050.com/)
2. 2050 MTP E-mail list – This is the mailing list that is specific to the long range plan: <https://www.amats2050.com/>. In the upper right of the page there should be a bar you can enter your e-mail in and click join.
