Road Board: Bob Gill gave a report

The Road Board will send their comments in respect to the LTRP at their next work session. Mike Abbott gave a short report on the Yosemite Drive shortfall and the need for an additional \$750,000 to upgrade Yosemite Drive at their last meeting. The position of the Road Board is to maintain roads. Bob Gill read numbers from the Road Board court case which is going before the state supreme court. Bob also presented two handouts (Yosemite Drive Project & Working Draft of CBERRSA Board of Supervisors Comments on 2006 LTRP) from the November Road Board meeting for members to review.

Question from Andrew Brewer regarding where \$1.5 million funding went which was slated for Yosemite Drive. Bob Gill reports best route would be to go through Mayor's office.

Title 21 Update: Andrew Brewer gave a report
Joe Vicente's letter-comments on Title 21- were passed to members for review and sections 1, 2, & 13 have been accepted by Planning and Zoning. Joe Vicente comments are available on the Muni website. Andrew Brewer reports every other community council has Title 21 committees for rewrite. Andrew Brewer is ready to form a committee for Title 21 rewrite. The funding is available but no authority to rewrite Title 21. They have been granted placeholder. Please contact Andrew Brewer if you are interested in a committee for Title 21.

Parks and Rec: Andrew Brewer gave a report
People can ski up and down the Eagle River. Budget for Parks & Rec: capital projects are funded at ½ of what they were last year---\$350,000 this year. The trails will go if monies get tight for roads. Bike trails for Eagle River Road---no federal funding-but state moving ahead with plans.
Dittman survey to be released next week.
Beach Lake Chalet, ski team to groom and ski on trails.

Chamber of Commerce: no report

CAC Committee update: Andrew Brewer gave report.
Separate chapter community service done by Dittman. 400 people were randomly surveyed. Committee ready to get results and people are ready to get involved. The results will be tabulated and a presentation given. Critical issues will be presented also. The committee has no land use planner; hopefully by January/February 2007. Ron Baird, a land use attorney, has been hired on a contract basis by the CAC. The CAC meeting is the first Wednesday of every month.

Community Roundtable

Plan for Mt. Baldy was discussed briefly.
Suggestion to bring Sgt. Stanton to next meeting.
Mailboxes on Birdsong Drive discussed briefly.

Motion to adjourn meeting at 2020.

Respectfully submitted,
Sara Pullen
