

IT'S TIME TO

Since the '80s, NeighborWorks Alaska has painted and provided minor repairs to hundreds of homes with the help of businesses and community volunteers like you.

The program was created to help our low income, senior, disabled, and veteran neighbors who face challenges in maintaining their homes as a result of either financial or physical constraints.

We are now seeking sponsors and home nominations for our event June 5-16th, exact dates & times TBD. Join us!

Nominate a Home!

Priority for seniors, veterans, and those with disabilities in Midtown Anchorage. We provide minor repairs and new paint to the exterior of a home. Nominate yourself or a deserving neighbor today!

Sponsor a Home

We couldn't do this without generous community support from businesses and organizations. Prime-level sponsor are eligible to register volunteer teams too. Become part of this Join us!
