Pinewood Derby Championship

EVENT SPONSORSHIP

"Driving race cars was an avenue for me to learn how to build my own car, and that was my ambition all along."

Carroll Shelby

Why Become a Sponsor?

As a sponsor, you play a vital role in having this event become a high-impact program. Youth and adults from all across Alaska are invited to attend. For many of our youth, this is one of two council-wide events that they can come to due to travel limitations; the other is our Traveling Cub Camp. Your support allows us to make this an event they will not forget.

What is a Pinewood Derby

A Pinewood Derby Gives youth and adults an opportunity to learn about woodworking, sportsmanship, and scientific principles such as Newton's laws of motion and gravity

As each car is built from a block of pine by the participant. They are powered by gravity and must fight against friction to speed down the race track.

The Benefits of Sponsoring

There are many benefits of becoming a sponsor including:

1. Advertise your business to new markets
2. You get to enter a car into the race as a participant in a fun day of racing.
3. As a charitable organization, your 2023 sponsorship can be used as a tax-deductible item as you are donating to a 501c3 charitable organization.
