

The Sand Lake Community Council meeting for December 12, 2022 has been cancelled due to ASD facility closures.

---

Good morning again.

Update:

We have decided to cancel all after-school activities for today and tonight. Rental facilities will be closed for community rental groups/activities.

As parents ourselves with students, we understand the hardships these missed school days have caused. We apologize for any inconvenience. Please know that getting our students and our staff safely back to school is our highest priority right now. With more snow in the forecast, we have multiple teams researching all options, including remote learning, for how we will address future weather closures, current missed days, and how it will impact the remainder of the 2022-2023 school calendar. We promise we will have a plan finalized soon and let you know the details.

Unless otherwise announced, schools will reopen tomorrow.

Be safe and have a great day.

-Team ASD
