[EXTERNAL EMAIL]

Hi Chris,

Please accept this note as an "official" notification that the BOD of GHCC is in full support of the recommendations set forth, including the purchase of noise level meters by the MOA, as laid out in the notations by the Ombudsman in the attached memorandum dated Oct. 08, 2021.

The noise issue affects us as well as other neighborhoods. It is our hope that these recommendations actually happen and expense of the meters does not get swept away during budget discussions.

Thank you again for all you do to keep our neighborhoods attractive and safe.

Jody Sola, President
Government Hill Community Council
907-229-5733

To: Jody Sola <jody.sola@yahoo.com>

Thanks Jody!
