

# A FREEWAY UP CHESTER CREEK!

The Alaska Department of Transportation is planning to build a freeway through the Chester Creek greenbelt to connect the Seward and Glenn Highways.

SHOW UP to testify on this plan. Your presence and comments WILL make a difference:

December 10, 2024 from 4:30 PM. to 6:30 PM. at the Anchorage Senior Activity Center.

The DOT's plan will create a continuous freeway, connecting the Glenn and Seward Highways, spanning the Chester Creek greenbelt, trail, and creek on a viaduct (long bridge).
